Greetings,

Praise the Lord for His provision through 2022! We feel so blessed for the many faithful volunteers, generous donors, organizations, and schools that partnered with MissionNext in 2022 to see more workers connected to the harvest.

In 2023, I will be celebrating five years of service with MissionNext, and MissionNext will be celebrating 25 years of faithful mobilization ministry. I marvel at how the Lord has continually directed the ministry of MissionNext so that we can allow workers to research and identify service opportunities around the world that would be just the right fit for their skills and interests. Our team loves to hear stories from those who have used MissionNext and have been connected as well as the testimonies from our partners who have found the right team members for their open positions. These wonderful stories spur us on to continue the work of mobilization.

Please know that your prayers have been felt, your sacrificial giving has made a difference, and your partnership is valued. As we continue forward, we will trust and wait upon the Lord as we seek His direction in the coming year because we do understand that “the harvest is plentiful but the workers are few, thus we will plead with the Lord to send out more workers into His harvest field.”

Until No Place Left,
Vicky Warren
