PURPOSE

MissionNext connects God's people with opportunities to serve the Lord among the nations.

CEO Message

First and foremost, Praise God! He has provided amazing volunteers, generous donors, faithful partners, strategic opportunities, and faithful stewards for MissionNext during the past year!

Second, thank you for partnering with MissionNext during 2023. We are so grateful for your faithfulness in the ministry of connecting workers to the harvest.

Finally, over the past 26 years, the Lord has continued to direct the ministry of MissionNext in allowing workers to research and identify service opportunities around the world that would be a good fit for their skills and interests. In 2023, we were blessed to acquire The Mission App, which extended our capability to reach even more potential candidates. We are looking forward to even more opportunities to partner and grow our abilities to mobilize more workers to the harvest in the coming year.

As we reflect upon 2023, we look forward to 2024 and pray that we as His servants will continue to serve others well, faithfully steward what the Lord has given us, and live for His glory each and every day!

Please know that your prayers have been felt, your sacrificial giving has made a difference, and your partnership is valued. As we continue forward, we will trust and wait upon the Lord as we seek His direction in the coming year because we do understand that “the harvest is plentiful, but the workers are few, thus we will plead with the Lord to send out more workers into His harvest field.”

Until No Place Left,
Vicky Warren,
President and CEO

”Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.” 1 Peter 4:10

“Remember - It’s all His.” Nelson Malwitz, Founder

VISION

Significantly increase the number of global kingdom workers from every generation to serve the Lord among the nations.

Connect God's people who are looking for opportunities to serve with sending agencies, mobilization organizations, schools, and ministries in need of workers, through our discovery and development process.
